**CLOUD PACKAGING SOLUTIONS LLC EXPANDS ITS PACKAGING CAPABILITIES WITH THE ACQUISITION OF MULTIPACK, L.L.C.**

Cloud Packaging Solutions LLC announces the acquisition of Multi-Pack, L.L.C. Multi-Pack is a leader in high quality packaging services for leading brand-focused companies in the consumer, industrial, medical and pet care markets. Multi-Pack's expertise includes the design, manufacture and conversion of paper, laminate, non-woven and other textile fabrics into disposable wet/dry wipes and towelettes packaged into a broad range of packaging options.

Cloud, which is based in Chicago, IL, provides a full range of packaging solutions in the food & beverage, consumer, industrial, OTC pharmaceutical and personal care industries. Cloud also designs and manufactures high-speed packaging equipment, developing cutting edge solutions for packaging machinery based on continuous-motion horizontal form-fill-seal (HFFS) technology. Kevin Fritzmeier, President of Cloud said, "We are excited about Multi-Pack due to its outstanding customer base and history of growth through product innovation."

Pete Melchior, Vice President and General Manager, stated "We are excited to become a part of the Cloud Team. Multi-Pack is built around its reputation for outstanding quality and unparalleled service which will continue. This partnership will allow us to continue our commitment to excellence by providing additional resources for our customers and employees." Mike Kryshak, Vice President of Sales adds; "The combination of Multi-Pack and Cloud (through its subsidiary Span Packaging Services) will provide the marketplace a single source for contract packaging all disposable towelette and wipe products."
